

UNITED ASSOCIATION FOR LABOR EDUCATION
RESEARCH GRANTS ARE AVAILABLE FOR 2018 - SUBMISSIONS ARE REQUESTED!

UALE is pleased to continue awarding grants to fund research related to workers, unions, and employment policy. Preference will be given to UALE members in determining award recipients. UALE has allocated up to \$5,000 for this purpose. We will select a maximum of two award recipients. The total number of awards for 2018 will be determined by the UALE executive board.

Applications for the 2018 grants are due by **January 19, 2018**. The recipients will be announced by February 16, 2018. UALE requests that successful applicants present the results of their research at a UALE conference within a few years following receipt of a UALE research grant. Grant recipients are also requested to acknowledge UALE in any product which the grant assists in bringing to fruition.

Applications should include:

1. Cover Letter (1 page)
 - a. Overview of project and amount of funding requested
2. Project Overview (3-5 pages)
 - a. Rational for Project
 - b. Description of Work to be Done
 - c. Significance and Outcomes
 - d. Timetable for Completion
 - e. Plans for Dissemination/Use of Research
3. Key Personnel
 - a. List names of key personnel involved in the project (including, where applicable, participating organizations or groups)
 - b. Qualifications of key personnel (attach resumes or vitas for all key personnel)
 - c. Explain roles that each person will have in the project
4. Budget
 - a. Include an itemized budget that outlines how the funds will be used (e.g. salary buyout for time spent on project, stipends, travel, communications expenses, transcription, etc).
 - b. List other existing or potential funding sources for the project.

A subcommittee comprised of three UALE executive board members (one union, one higher education, and one community-based) will review all applications and make a recommendation to the entire UALE board, which will have final approval.

Please send application materials to:
